Standing orders

Create new standing order – Step 1

Card reader required

To complete this transaction you may need to have ready:

- your card reader
- a card you can use with that reader

If you have lost your card reader, or require another one, please [order a new card reader](#).

Payee details

Enter the name of the person or company you wish to pay and if you have previously set them up as a payee, the details will pre-populate. If not, simply enter the details.

Payee name

Account number

[More than 8 digits?](#)

Sort code

The 'Payee reference' can provide the payee with important information about your account with them – if appropriate you should check this carefully against your bill. The reference has a limit of 18 characters.

Follow the steps inputing the bank account details we have sent you
